About Us

Xplore has been one of the largest established independent youth travel providers for nearly 30 years, offering a range of activity, educational and cultural packages for children and young people, throughout the UK, Europe and worldwide on a residential, daily & boarding basis.

We are very aware that a company has to 'feel' right when you are looking for employment. We believe we are a company with a very sociable and friendly approach.

What will you do?

We are looking for an experience Lego Robotics Instructor who will be responsible for applying prescribed lesson plans, and delivering enjoyable Robotics classes to students at our successful Centres in the UK over summer. To gain employment you will have to successfully complete our in-house training.

You must:

- Have experience in Lego Robotics
- Be able to create Robotics lesson plans to ensure the students are engaged
- Oversee the safety and well being of children, and accompanying adults participating in Robotics.
- Be familiar with your responsibilities in line with the company Welfare Policy & Prevent Strategy and proactively enforce these principles while working for Xplore.
- To liaise with Centre Manager and Training Manager and visiting group leaders in order to structure the classes suitably and consistently.
- To prepare lessons for the duration of the allocated Robotics time (in relation to the group programme where possible and when time allows). This must take into account the variety of resources available.
- To carry out lessons according to your pre-arranged plan.
- In every hour there must be a break of 10 minutes for the students.
- To allocate textbooks and other teaching resources to the students and ensure their safe return upon completion of the course.
- Computer literate
- Proven planning & organisational skills
- Ability to apply and monitor delegation of tasks

- To award students a Certificate of Attendance at the end of their last lesson or the Anglia awards certificate if they have passed a module.
- To ensure that class discipline is of a high standard, and to seek the support of management staff if there is a problem dealing with one or more of the students.
- To assist any person requiring medical treatment to get to a qualified First Aider.
- To report any accident or near miss occurrence.
- To be familiar with all the statements in the site specific Xplore Health & Safety Policy
- Statement and to observe safe working methods.
- To contribute to the continual evaluations and improvements of Xplore lessons.
- Adaptable
- Positive role model
- Standards driven
- Flexible to meet the demands of the job
- Be able to understand, meet and exceed company and clients' expectations
- Gain satisfactory DBS clearance.

We are looking for:

- A confident communicator
- Industry experience
- Entrepreneurial spirit
- Multi-task at a fast pace
- Attention to detail
- Flexible and adaptable approach to work
